

James Orr Coating Inspection LLC

1013 Valley Stream Dr.
Madison, WI 53711

Job summary:

James Orr Coating Inspection is seeking a Coating Inspector to assist in inspections of water tank coating projects throughout the State of Wisconsin. Inspections will be coordinated through our Madison office and with the contractors at each project site. In addition, the selected candidate will assist in performing drain and clean out inspections of water tanks. This position may require some overnight stays and weekend work depending on inspection schedules. No experience required: Training will be provided. The starting pay will be \$22.00 (negotiable depending on experience) for the right candidate. Our niche is Coating Inspection. James Orr Coating Inspections, LLC is an Equal Opportunity Employer.

Responsibilities:

- Write detailed inspection reports
- Prepare draft bid documents using EJDC (Engineers Joint Contract Documents Committee)
- Performs onsite internal and external inspections on water tanks for corrosion, chipping, peeling, chalking to evaluate expected service life and offer recommendations based on findings
- Perform coating inspections
- Willing to learn to use inspection equipment including drones, underwater ROV and GoPro cameras
- Collection and editing of data from specialized equipment with video and photo editing software
- Travel to multiple job sites if needed

Position Requirements:

- Valid Driver's License and vehicle with good safety and driving record mandatory
- Basic knowledge of computer/Microsoft programs
- Ability to take quality pictures and videos
- Must be comfortable with marketing and developing your own clients
- Must be able to climb fixed ladders up to approximately 150 ft
- Working knowledge of auto-cad or other construction software preferred
- High School diploma or equivalent required, Engineering degree preferred
- Reliable, teachable, honest and hardworking
- Ability to work travel up to 50% of the time, which includes traveling between sites and/or out of town
- Ability to work overnight and weekends. Subject to variable inspection schedules

- Demonstrated ability to adapt to new challenges and learn new concepts.

Benefits:

- Performance based reviews with salary increases based on learned competencies
- Benefits included: health, dental and vision, 401K
- Mileage reimbursement using current IRS reimbursement standard
- Hotels & meals paid by company if working overnight
- Earned Personal Days
- 401(k) with employer match (full time employees)

Physical Demands:

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

While performing the duties of this job, the employee is regularly required to walk and talk or hear. The employee is frequently required to stand. The employee is occasionally required to sit; use hands to reach, handle, or feel objects, tools, or controls; reach with hands and arms; climb or balance; and stoop, kneel, crouch, or crawl. Ability to perform work in an outdoor setting (including inclement weather, heat, humidity and prolong exposure to the sun and dust). Use of personal protective equipment (PPE)

The employee must frequently lift and/or move up to 25 pounds and occasionally lift and/or move up to 50 pounds. Specific vision abilities required by this job include close vision, distance vision, color vision, peripheral vision, depth perception, and the ability to adjust focus. Specific smell ability is required; recognize the smell of various fuels.
